DUDA SOCCER CAMP

**For Boys and Girls
ages 6 – 12**

**Bringing Out The Best
In Each Other**

Train Hard, Play Strong, Love The Game

Duda Soccer is dedicated to performing a high quality service and is based on the premise that the player's ball control and tactical development will receive top priority in training.

Players will be constantly challenged to achieve individual and team goals. Technical and tactical instruction will be conducted through the application of small-sided games so that players will experience a training environment that replicates the real game.

Under the watchful eye of our coaching staff, players will begin to know **WHAT** to do, **WHEN** to do it, and **HOW** to do it at the technical and tactical speed that is required in the game of soccer. Each training session is designed to help

players achieve their maximum potential through progressive exercises that are age appropriate and individually and developmentally challenging. Our coaches create a fun-filled and safe environment on the soccer field, in which players have the confidence to try skills in game situations while having an extraordinary camp experience.

Duda Soccer Camp will allow participants to improve their technical and tactical skills in an encouraging and positive environment. Duda Soccer emphasizes the development of soccer fundamentals through many individual, challenging ball-skill activities, games and small-sided scrimmages. Campers will be grouped according to age and ability.
