Quick notes:

**1) Offsides will be utilized this year as a trial basis, to avoid "cherry picking". There is only one referee, so please work with the referees. We are only looking to call blatant offsides and to teach the general concept. Coaches should discuss this with the referee before the game, to ensure communications are in synch.**

2) Home team wears yellow and is responsible for paying the referee (\$15/game).

3) Goal kicks: please have the defense team back up to between the 18 Yd Line and the Centre Spot line increase competitiveness and lessen "poaching" of the goal kick.
